

Vega Decorative

The UFO Vega Decorative offers amazing LED brightness for architectural lighting projects. Incorporates a decorative effects wheel for color change or twinkle effects.

With a long lamp life, and very bright white light output, the Vega fits perfectly in situations where tungsten halogen, or even metal halide options would normally be specified.

Very cool and almost silent running combined with a small unit size, make this illuminator suitable for use in restricted spaces, and when fitted in an IP rated enclosure it can easily be situated outside

Description	
Port connector size	1.18" (30mm) Diameter
Fiber type	Glass/PMMA
Mains Supply Voltage	100-240V AC, 50-60 Hz. 1.8A
PSU Output	24V DC, 2.5A, 60W Maximum
LED Power	Max. 20W
Power Connection	2.1 x 5.5 x 12mm
Min Ambient Temperature	-10°C (14°F)
Max Ambient Temperature	+45°C (113°F)
Fan	80mm 12V Crossflow
LED Type / Model	White light with decorative effect wheel (color change or twinkle)
LED Life	50,000 hours in ambient 25°C (77°F)
Motor Control Functionality	Manual, DMX & 0-10V
Dimming Control Functionality	Manual, DMX & 0-10V
Equivalent TH Light Output	120W
CRI	82 (typical)
Color Temperature °K	4000°K or 3000°K
Material	Aluminum
Color	Silver
Size	143mm (L) x 138mm (W) x 102mm (H) 5.6" (L) x 5.4" (W) x 4" (H)

Like all our range, this illuminator is undergoing constant improvements and upgrades, so we reserve the right to alter specifications as required.
